Kallithea, March 4<sup>th</sup> 2022

Dear colleagues,

Please note that due to the latest developments on the global economy and the continuous and significant increase in bunker prices, we are forced to proceed with a further adjustment in our fuel surcharge, applicable to all trucks and trailers travelling in the Adriatic Sea routes, effective as of Wednesday, March 9<sup>th</sup> 2022.

The new fuel surcharge per route will be as follows:

- Bari route: € 7 per meter, adjusted per truck category
- Ancona route: € 15 per meter, adjusted per truck category
- Venice route: € 14,5 per meter, adjusted per truck category

Attached please find our revised cargo pricelists for the Adriatic Sea routes including the adjusted fuel surcharge.

We remain at your disposal for any clarification.

Yours Sincerely,
